Dear Mark:

Duke Energy values a strong commitment to our communities. The Duke Energy Foundation continues to honor this commitment, with support of organizations such as Hamilton Township.

A check in the amount of \$1,000.00 is enclosed. This grant is made possible through the efforts of Tim L. Abbott and this is an unrestricted contribution for use in the United States. No goods or services will be rendered in return.

Many of the organizations we support communicate the contributions they receive through their newsletters, press releases, etc. If you follow this practice, we would appreciate mention of our contributions in those communications. If you wish to send any copies to us, we welcome and appreciate the opportunity to share throughout our company.

For more details on our philanthropic areas of focus, please visit the Duke Energy website at <http://www.Duke-Energy.com>. We wish you much success with your future endeavors.

Sincerely,

Rachelle A. Caldwell
Manager, Community Affairs
