

## PAINT-A-PLOW GUIDELINES

The organization may use its' own judgment on the design, materials used, and selection of students. Participants can include Kindergarten through High School students, 4H clubs, and non-profit organizations. (Open to local businesses, but priority will be given to students, and non-profit organizations) Artwork must be original and in good taste and contain no partisan or political messages; anything deemed inappropriate will be precluded (as determined by Hamilton Township Administration). All materials and supplies for painting of the plow must be furnished by the organization and the plow will remain the property of Hamilton Township.

If your organization wishes to participate in this program, [click here](#) for the application. The deadline to submit applications is October 11, 2021. Renderings of the proposed design should be submitted in advance for approval.
