The Adaptive FTO teaches FTOs (and through FTOs' efforts, the trainee) how to become emotionally aware of trigger points leading to over-reaction. It is a method of recognizing de-escalation before it is time to de-escalate. It also makes for a more empathic officer who understands that not every situation is resolved through enforcement, whether a traffic citation, a summons, or an arrest. The Adaptive FTO will create a developmental framework and tools for training the future of your organization.

You will leave this class as a stronger FTO by learning:

- ◆ How Emotional Intelligence creates resilient, compassionate and respectful police officers.
- ◆ The Legal and Ethical Decision Making Model.
- ◆ Develop the critical thinking skills in the trainee.
- ◆ The generation proof Adaptive Feedback Model.
- ◆ A growth mindset, cognitive coaching strategy for developing insight and sensemaking.
- ◆ To use failure and mistakes as method to create new knowledge.
- ◆ Decision making skills addressing de-escalation, implicit bias and procedural justice.
