

INTERNAL AFFAIRS INVESTIGATIONS

MAINEVILLE, OH

The FBI-LEEDA Managing & Conducting Internal Affairs Investigations (IA) course is a four-and-a-half-day seminar aimed at enhancing internal control mechanisms to foster greater accountability within law enforcement agencies amid the ongoing environment of police reform. This highly interactive course is beneficial for all supervisors, managers and command staff in all government disciplines.

Course Topics Include:

- Internal Affairs Policies and Procedures
- Complaint Processing
- Technology Implications in Administrative Investigations
- Investigation of Misconduct
- Workplace Search Basics
- The Disciplinary Process
- Enhanced Practical Scenarios
