Since 2014, hundreds of officers and supervisors just like you have experienced this course and learned to respond to critical incidents safely, calmly and methodically. Whether you are a seasoned pro looking to brush up on new modern tactics or a new officer or supervisor wanting to learn the core concepts, this course is for you.

- ✔ Perimeters
- ✔ Decision Making
- ✔ Apprehending Fleeing Suspects
- ✔ Barricaded Suspects
- ✔ Incident Leadership
- ✔ Actual Incident Videos
- ✔ A Customizable Critical Incident Checklist
- ✔ A fun and energetic instructor using modern teaching techniques (no "death by PowerPoint!")

Looking for an advantage in the next promotional process? You'll get just that because you'll learn how to lead any incident big or small. We've taken the complex theories of tactical science and made them practical and easy to understand. You'll be able to apply what you learned at your very next shift. Come see why the most common feedback students give is *"This course should be mandatory!"*

"I was frustrated seeing call after call not handled with the care it needed. I am positive more officers would still be alive right now, including my partner who was killed, had more agencies sent their officers and supervisors to this training."

— Detective Brian Wilson, Stanislaus County Sheriff's Dept. (CA)
