Assembly/Line-up will begin at 8:30am at Maineville Elementary at 373 E Foster Maineville Road, Maineville Ohio 45039. Every entry will have a number assigned and is requested to locate that number upon arrival and line-up in that designated space. The parade will step off at 10:00am and will end at Testerman Park. To alleviate traffic congestion, we would like to know if you plan on parking at the end of the parade route at Testerman Park where there will be some food trucks and music briefly following the parade. It is not required for entries to end at the park, you may choose to exit after you loop through Testerman Park and turn _____ Maineville Road and onto your next destination. Event personnel will be on site to direct you. **Will you park at Testerman**

As always, SAFETY FIRST. Please understand Hamilton Township and The Village of Maineville shall be held harmless for all claims as a result of your actions. A fire extinguisher is advisable in some cases. You are required to keep 2 car lengths (approximately 40') from the unit in front of and behind you at all times. This is necessary to eliminate gaps in the parade! Your unit may need to stop at times to achieve this. Be Alert! Be Safe! Have Fun!

Thank you and have a VERY HAPPY and SAFE Independence Day Celebration!
